BUSINESS ITEMS

Status Change Request

Richard Sederberg, DC submitted a status change request to change from inactive to In State Active. All required documentation and fees have been received. Dr. Taylor motioned to approve the request. Motion seconded by Mr. McCoy. Motion passed.

Dr. Moore asked the members if they would be ok with the director processing these types of requests, in the future, without the board having to vote on them as there are no rules or regulations stating they have to vote on status changes. Dr. Holt mentioned that unless there is a controversy or deficiency somewhere the board could grant the authority, if everything is in good standing and up to date, to the executive director to just endorse the change. Mr. McCoy made the aforementioned comment a motion. Dr. Holt seconded the motion. Motion passed.

Temporary License applications

Natalie Horine and Lee Horine both submitted completed license applications along with temporary license requests. Dr. Holt motioned to accept both temporary license requests. Motion seconded by Mr. Gunter. Motion passed.

NBCE Test Committee Nominations

A nomination form was received from NBCE regarding the participation of one or two board members at their Part IV examinations. The director informed the Board that Dr. Heard asked if he could attend. There is also the option to nominate an additional member to attend. Dr. Taylor motioned to nominate Dr. Heard to attend the May Part IV test committee. Dr. Holt seconded the motion. No other members nominated to attend. Motion passed.

Stipend Payment for this phone conference

The board president requested that they waive the stipend for this phone conference due to it being so short. Mr. McCoy motioned to waive the stipend for this meeting. Mr. Gunter seconded the motion. Motion passed.

ADJOURN

Dr. Moore moved to adjourn. Motion seconded by Dr. Holt. The Board adjourned at 1:15 p.m.
